PRIMARY SCHOOL

Magical moments

At Thackley Primary School, we aim to provide an education that's full of magical moments.

We are a happy and inclusive school, where children are given the opportunity to achieve their best and challenge their own expectations.

Our outstanding recipe for success includes high standards in everything we do, a clear focus on skills for life and a generous helping of happy memories.

Experience
the magic

Magical ingredients

Throughout their time with us, children are encouraged to speak out and contribute to their own learning.

As well as life skills, this helps to develop teamwork, communication, problem-solving and self-confidence.

It's a culture of inclusivity that enhances a feeling of community in which pupils and teachers work in partnership towards shared goals.

A strong team spirit and sense of pride pervade the school

Classrooms are colourful, vibrant and well-resourced

At Thackley, we believe in active learning. A wide range of fun and educational activities are designed to encourage all our children to express their own personalities.

Add to this our creative and innovative curriculum, stir in the individual needs and abilities of each pupil, blend together a strong focus on building pupils' basic skills and, we believe, we have the magical ingredients for success and lifelong learning.

Experience the magic.

Magical memories

As well as helping all our children to achieve academic success, we aim to create confident children with happy memories.

In addition to treasured moments spent with friends, children can take part in a wide range of extra-curricular clubs and extended out-of-school activities.

Excellent partnerships with local schools and links with schools abroad also help to further their experience and increase their understanding of the wider world.

At Thackley Primary School, we care about the well-being of all our pupils.

We aim to provide a safe and secure environment, while strong ties between home and school help children to settle in easily, and learn how to play and work together in harmony.

For a learning journey that's full of magical memories, join our happy family of learners.

“Communication between home and school is brilliant”

PARENT

Pupils say they enjoy coming to school”
